

This is an exciting way to practice nursing. As a Travel Nurse, you can experience living in different cities, see new and beautiful sites, and possibly even visit far away relatives and friends or make new ones. And best of all, you get to travel for free. Yes, when you accept a Travel Nursing Assignment, The Nurse Source will pay for your round-trip transportation and housing expenses.

Here's how it works:

Once, The Nurse Source receives your complete [application file](#), our placement specialist will compare your qualifications with the requests from our clients in the areas, which you are interested in traveling to. We will then present you with several assignment choices. We may also arrange phone interviews between you and representatives from the facilities you have chosen. Once we have identified the best match, you will be offered a contract for a Travel Nursing assignment. These contracts are usually for a minimum duration of 13 weeks but may be extended. The pay rates may vary by location. They will be clearly stated in the contract, along with the responsibilities of all parties. You will know exactly what to expect before you begin the assignment.

And once you begin your assignment, our staff is always here to assist you, 24-hours a day, 7 days a week.

To begin, you need to complete a full application file.

This file consists of an application form, a nursing skills checklist and a competencies tests. For your convenience, we offer three simple options for completing the application.

- Option 1: Complete the forms online.
- Option 2: Download, print, and complete the forms. Then you can fax them together with copies of your Nursing License, CPR / ACLS and all other credentials you have, to our office at 773-777-1504.
